Committee – Submits proposals to fill up the vacancies sanctioned in Go Ø 29-11-35 and requests sanction to the Transfer of the services of Mr. R Rameswami from the Ch. Electrical Engineer's office for being absorbed in his dept according to the rules of CRB. —— Submitted with the collection sanctioning the appointment Post referred to in the P.W.D. He proposes to fill in the two vacancies one by promotion and another by direct recruitment For the former, it is seen from the gradation list that Mr. M.S. Shamanna whose name is recommended is the 14th among the First grade clerks. It is for consideration whether the 13 clerks who are top him may be superseded on account of certain qualifications stated to be necessary while those to be superseded have not been stated to be unfit to hold the post. In fact among the Accountants there are a number of those who do not possess similar qualifications. And besides, nothing is said as to whether the P.A he is now getting gets merged in his new scale of pay or not. The latter proposal seems to be in order

It is hard on the 13 people, who are his Seniors, if Mr. M. S. Shamanna goes over them for no fault of theirs. one of them has put in 23 years of Service. There is nothing to show that all these are unfit for promotion. Even among accountants, there are those, who have no Special actuarial qualifications. But the head of the department recommends that Mr. Shamanna be promoted over his Seniors. If it is decided to accept the recommendation, the P.A. that Mr. Shamanna is getting should cease from the date of the promotion.
